The New English Bible 2009-03-19 The New English Bible, completed in 1970, was the culmination of more than twenty years' work by scholars and literary advisers representing the major Protestant churches of the British Isles. An authoritative translation made directly from the best Hebrew and Greek texts and founded on all the resources of contemporary scholarship, it aimed to present the full meaning of the original in clear and natural modern English. This approach marked a departure from the prevailing Bible translation philosophy and to this day the NEB has a significant place in the history of the Bible in English. The New English Bible is now reissued in this classic 'Library Edition' format to coincide with the reissue of the complete Cambridge Bible Commentaries series, which was itself based on the NEB text.

The New English Bible TME. 1961

Simple English Bible New Testament-OE 2012 The Simple English Bible is a new translation of the Holy Bible. It is the result of an effort by several teams, not just one team, over a period of many years. The purpose was to reduce the Holy Bible to simple words not more than about six letters long. Any person with a Fifth Grade Reading Level and any foreign person who knows some English but is not fluent should be able to read and understand this Bible. A basic vocabulary of three thousand words was created for this Bible and this Bible only uses those words. Not only is this a reduction of the text to simpler words but it is also a completely new and original translation. Most other new editions of the Bible are simply rewrites of the well known King James Version of the Bible. By contrast, The Simple English Bible is an entirely new and original translation. This can be demonstrated by comparing almost any verse of the Bible.

The New English Bible 1976

The New English Bible 1972 The New Testament of the New English Bible was first published in 1961 with a complete text available from 1970. This translation was the first to render the scriptures into contemporary English and to depart from the traditional linguistic style of the Authorized Version. Over the years the translation has come to be regarded as a classic text and it became a best-seller in many countries around the world. In 1989 its successor, the Revised English Bible, was published to great acclaim but there remain a significant number of readers who favour the NEB. This stunning edition - featuring the well-known line drawings by Horace Knowles - reintroduces the much-loved NEB text back into the Oxford list after an absence of nearly two years.

The New English Bible 1961

The New English Bible Bible O T Apocrypha English New English 2012-07-19 The New English Bible, completed in 1970, was the culmination of more than twenty years' work by scholars and literary advisers representing the major Protestant churches of the British Isles. An authoritative translation made directly from the best Hebrew and Greek texts and founded on all the resources of contemporary scholarship, it aimed to present the full meaning of the original in clear and natural modern English. This approach marked a departure from the prevailing Bible translation philosophy and to this day the NEB has a significant place in the history of the Bible in English. The New English Bible is now reissued in this classic 'Library Edition' format to coincide with the reissue of the complete Cambridge Bible Commentaries series, which was itself based on the NEB text.

Bible. N. T. New English. 1961. The New English Bible 1961

REB Standard Text Bible, RE530:T 2002-01-10 The REB updates The New English Bible, retaining the latter's elegant literary style, but removing its archaisms. The REB employs a modest amount of inclusive language (e.g. 'brothers and sisters' for 'brothers') and is good for public reading. Like the NEB before it, the REB is a British translation, sponsored by all the main Christian denominations. This hardback includes just the Old and New Testaments and the page numbers match the

Cambridge REB Lectern Bibles, so the hardback makes an excellent pew Bible.
